Personal Profile

- I am very patient, I always try to finish what i have started, i value time alot because i believe that time is the foundation of every task. I am a hard working person and am able to adapt to a new environment easily and be able to perform my utmost best. I strongly believe in treating people equally and with respect, regardless of their race, gender, sexual orientation, beliefs and opinions. Am eager to learn and take criticism constructively as learning experience and also to motivate myself to perform better
